Overview of Gateway Project

- Goal: “Output Side” - local financial information made accessible and understandable to the public
 - citizen-friendly reports
 - mapping, graphs
 - searchable data
 - data in context: economic, population statistics

Gateway First Step

- How we reach goal: “Input Side” - collect the data online and store in modern database
 - Budget forms
 - launch July 1 for 2012 budgets
 - Annual financial reports
 - launch for 2011 financials
 - Debt reports
 - launch for March 2012 debt reporting
- Gateway is the DLGF-prescribed method of submitting budget forms for 2012 for all local units of government (except schools)

Certificate of Net Assessed Value in Gateway
